Dear Mr. Mateer,

In view of the May 28, 2008 Risk Mitigation and your 90 Day Response, in which you have indicated that you will not be complying with the May 28, 2008 Risk Mitigation, we are not able to process your requests to expand the packaging sizes of products with homeowner sizes until we have conducted additional Agency internal discussions.

When we have reached a decision about how to respond to these application requests, we will provide you additional guidance.

Thank You,

Daniel B. Peacock, Biologist
